

## Advanced topics in Structural Equation Modeling

**Location:** CIQSS, 3535 Queen-Mary, Suite 420, Montréal

**Dates:** May 16 to 18, 2012

The course is open to graduate students and postdoctoral fellows as well as to professors and applied researchers. Familiarity with SEM in single sample analyses is assumed. For the course outline, please visit our website: [www.ciqss.umontreal.ca](http://www.ciqss.umontreal.ca).

A maximum of 20 participants will be selected on the basis of the relevance of the course to their curriculum, research, or teaching.

### Application procedure

To apply for the course, please register on our website [www.ciqss.umontreal.ca](http://www.ciqss.umontreal.ca) on the 2012 QICSS Summer School page, which includes information on the selection criteria.

Graduate students and postdoctoral fellows who are selected will be eligible to receive a grant covering their lodging costs at the *résidences de l'Université de Montréal*. To apply for funding, candidates need to send an email to [Luc St-Pierre](mailto:Luc.St-Pierre) specifying dates of arrival and departure (it is possible to arrive the day before the training start and leave the day after it ends).

### Fees

Registration fees for 3 days are:

	QICSS users*	QICSS Member Institutions **	Other Universities	Other Institutions
Students	\$150	\$195	\$225	-
Postdoctoral fellows	\$180	\$225	\$300	-
Professors/researchers	\$270	\$345	\$450	-
Any other category	\$600	-	-	\$800

Registration fees must be paid by credit card. Federal and Provincial taxes are not included.

### Notes:

\*QICSS users have an active project to access data in one of the six QICSS laboratories.

\*\*QICSS' seven member institutions – l'Université de Sherbrooke, l'Institut national de la recherche scientifique, Concordia University, l'Université Laval, McGill University, l'Université du Québec and l'Université de Montréal.

### Registration

The online registration period will run from **March 19 to April 15, 2012**. Selection results will be announced during the week of **April 16, 2012**.
